

Quality Improvement Measures

We are pleased to announce that in July 2015, our practice received High Scores for Patient Quality Care Measures

- 1) Preventive Care Measure: Vision screening for patients 4-6 years old

Dr. Greco is at 77.19%.

Dr. Koster is at 88.18%.

Dr. Singer is at 89.88%

- 2) Immunization Measure: Adolescent Combo for patients 13 years old

Dr. Greco is at 100%.

Dr. Koster is at 85%.

Dr. Singer is at 98.60%.

- 3) Chronic Care Measure: ADHD patients who have had an office visit in the last year

Dr. Greco is at 100%.

Dr. Koster is at 100%.

Dr. Singer is at 98.15%.

- 4) Care Coordination Measure: Patients who had a follow-up after ER or IP hospitalization

The Practice is at 100%

- 5) Patient/family experience: Patient Survey Results

100% of the practice's patients surveyed in June 2015 felt that:

- ❖ *They could schedule an appointment easily*
- ❖ *Their provider listens and answers questions clearly*
- ❖ *They were up-to-date on their test results and referrals*
- ❖ *They understood their medications (if on a medication)*
- ❖ *All of their health care needs are addressed*
